

## **Course Description**

Join Safari Club International at the 18th annual Current Issues in Wildlife and Hunting Law Continuing Legal Education course. This CLE offers a unique course that focuses on laws, regulations, policies, and judicial opinions related to wildlife, wildlife management, hunting, and conservation. The course features four credit hours, including one hour of ethics, and will address hot topics from experts in the field of wildlife law.

The CLE will be held Wednesday, February 18th from 1:00 PM – 5:15 PM Central at the Music City Center in Nashville, TN. The course will be live streamed for participants who cannot attend in person. Virtual attendees should check with their state bar(s) to ensure live streamed CLEs meet accreditation criteria. Virtual attendees will have the opportunity for Q&A with presenters during the course. A code word will be used to confirm attendance. Staff will apply for accreditation for up to two state bars per attendee.

The fee for the four-hour course, including one hour of ethics, is \$285.00. If you register on or before February 13, 2026, the fee will cover the cost of the course and a half-day attendance at the SCI Annual Hunters' Convention on February 18, 2026. Registrations after February 13th will not include the complimentary day pass to Convention. You can attend Convention in the morning and the CLE in the afternoon!

If you are or know an attorney who would like to fulfill their CLE requirements by learning about the latest issues in wildlife law, this is the place to get it all! Membership in SCI is not required for attendance, in-person or virtually.
